### NOTICE OF AMENDMENT 3

#### **RFP 21-2179-R1 TO ESTABLISH A CONTRACT FOR THE ACQUISITION OF ELECTRONIC MONITORING EQUIPMENT FOR THE DEPARTMENT OF CORRECTION AND REHABILITATION OF THE GOVERNMENT OF PUERTO RICO**

Proponents interested in participating in the Request for Sealed Proposals are notified of the following amendments:

**I. Section 2.2 is amendment to rephrase the requirement for Sirens:**

- Must have a siren feature or other audible warning alert. This feature or alert system must be able to be activated via the monitoring software system by the vendor's monitoring center or authorized agency and staff. It should not be able to be deactivated by the offender.

**II. Section 2.5 is amendment to read:**

**SOLUTION FOR SURVIVOR OF LAW 54 OFFENDERS**

Proponents must provide a technology solution that facilitates communication with survivors without generating the feeling of tracking. The requirements for the solution are:

- Must be able to track location.
- Must notify the survivor about alarms in real time.
- Must include an emergency button that when pressed must call the Agency and sent the location of both the offenders and the survivor.
